

## *Support our Troops Campaign*

John Goodyear, is a serving member of the Canadian Forces. He is also a member of SCRC #418. He has approached SCRC #418 with information about the “**Support Our Troops**” campaign.

“**Support our Troops**” is a promotion in support of the Canadian Forces Military Family Resource Centres, with the money from sales going towards attempting to make the strain of a deployment as easy as possible for military families.

John knows only too well how important the support is as he was deployed to the Arabian Gulf in 2005.

As a result, John will place orders for anyone wishing to purchase any “**Support our Troops**” merchandise. Items such as car magnets, caps, t-shirts and much more can be viewed at [https://www.cfpsa.com/en/canex/wyn/generalPublic/shoplist\\_e.asp?uid=384122&location=&dept=6](https://www.cfpsa.com/en/canex/wyn/generalPublic/shoplist_e.asp?uid=384122&location=&dept=6).

Upon receiving orders, John will purchase the items at the local CANEX store in North Bay. Orders placed by August 24<sup>th</sup>, 2006, will be brought to the Ride to the Wall run on August 26<sup>th</sup>, 2006 for pick-up. Exact amounts owing will be required as John will be riding to Sudbury from North Bay with the merchandise on his motorcycle. He will likely have very little change on him. Specific delivery/pick-up arrangements will have to be made for any items that he can't be purchased immediately. This will be arranged via email. This will also apply to orders placed after August 24<sup>th</sup>, 2006.

Thank you to everyone who supports our Soldiers, Sailors, Airmen and their families during the difficult time that is a deployment. As someone who was recently deployed, John remembers how knowing that people back in Canada are thinking about them and how this sometimes makes all the difference in the world.

Let's remember that our club hosts the annual *Ride to the Wall* run each year to pay respect to those who fought for our freedom and paid the ultimate price in a time of war. The purpose of the run is to raise awareness of the few remaining veterans, and in support of those on active duty. As such, SCRC #418 is proud that our membership continues to provide the overwhelming positive response this campaign is generating. Thank you for “**Supporting our Troops**”!
